To all at AIWCL,

Thank you so much for your generous donation of CHF 6'540.00 to Cecily's Fund. We are extremely grateful for your contribution to our work and we really value your continued support and interest.

Your donation really will go a long way in Zambia. The money you have raised will enable us to support 125 orphaned and vulnerable children through primary school, giving them skills and opportunities for the future. By increasing their chances of employability after school and thus their economic independence, we turn vulnerability into viability.

I have recently returned from my first trip to Zambia. The many children I met were all so appreciative of the support Cecily's Fund is providing which enables them to achieve so much more with their lives. Most of the children have extremely difficult home situations and the opportunity to go to school and to learn is absolutely invaluable to them. I can confidently say that your support really will change lives in Zambia. I have attached a few photos from my trip and a certificate to thank AIWCL for your achievement.

It is only with the help and generosity of supporters like you that we are able to make such a positive difference to so many needy children in Zambia. Thank you once again for your kind donation in support of Cecily's Fund, which is very much appreciated.

Yours sincerely,

Helen Cox
